SUBJECT: **FUNDING REALLOCATION FOR SPECIAL SERVICE FOR GROUPS,
COUNTY CONTRACT NO. PH-000934**

This is to inform you that the Department of Public Health (DPH) plans to use the delegated authority granted by the Board on June 16, 2009 (Board Agenda Synopsis #35) to implement the adjustments and reallocations provision as found within the contract with Special Service for Groups. This provision allows the Director of DPH, or his authorized designee, to reallocate funds in amounts up to 25 percent of the contract's budget, or \$100,000, whichever is greater.

DPH recommends this funding reallocation to enable the agency to maximize contract services and funding. Attachment 1 is a description of the services to be revised by this amendment and Attachment 2 outlines the agency's current and new proposed funding amounts.

If you have any questions or need additional information, please let me know.

ALCOHOL AND DRUG RESIDENTIAL SERVICES (DCFS)

Alcohol and drug residential services (i.e., residential alcohol and drug services) is a twenty-four (24) hour residential program where recovery services, and/or specialized recovery services are made available to persons (including, but not limited to, homeless persons) who have alcohol and/or drug problems. Program participants are to be involved in no less than six (6) hours of planned treatment and recovery activities per day under the supervision of trained staff. Specialized recovery services may include therapeutic intervention by professional staff such as Licensed Clinical Social Workers, Marriage and Family Therapists, and Doctors of Philosophy.

COMMUNITY ASSESSMENT AND SERVICE CENTER PROGRAM SERVICES (DCFS)

Community assessment and service center program services are those services which include utilization of a standardized and computerized/automated substance abuse and mental health assessment, intake, and referral system; collaborative and cooperative linkages with public and private social and health service providers; intake, assessment, and referrals to substance abuse and mental health residential or non-residential treatment services or other ancillary services, such as domestic violence and Human Immunodeficiency Virus (HIV) resources; development and maintenance of participant related ancillary resources directory; outreach to and networking with service providers and County residents; and maintaining collaborative and cooperative linkages with other resources to support increased access to a comprehensive range of specific services needed by each program participant.
